VCASS | DANCE

TERM 1 PERFORMANCE

2021

Steven McTaggart
HEAD OF DANCE

Welcome to the Term 1 Performance of VCASS Dance.

I am thrilled we are able to perform on site and on our streaming platform and congratulate our hard-working students who give such brightness to the future of dance.

I love how this evening promotes the value of technical training and skills within the context of performance. Excerpts of Ballet class are followed by selected repertoire, giving us a brief insight into the practices which make dancing effortless and expressive.

A dancer does not wait for a role or a performance to work on the quality of their movements or their artistic abilities. That joy happens at every opportunity, every class, every day.

Congratulations to our great team of dance staff but tonight in particular, we thank our ballet teachers, Janne Blanch, Tim Harbour, Fiona Munroe, Madeleine Eastoe and Kynan Jones. We have been choreographing and refining the work over most of this term and yet as always, the show has seemed to come around so fast!

Tonight would not be possible without Olga Polyetayeva our expert accompanist who has provided - as always - such marvellous music and support across our classes and performances. Thank you

Thank you for your support and enjoy the show!
