SECONDARY SCHOOL

Education  
and Training

## PROGRAM

### **COMPANY** | Thierry and Ruby

Andy has a 'lay-over'. He's brought a friend home for the evening. So why is he talking about 'butterflies'?

### **SWITZERLAND** | Abby and Poppy

Somewhere in the Swiss alps, Patricia Highsmith is visited by 'Edward Ridgeway' from her publishing house on a mission to persuade her to write one last Ripley novel. Will her love of fictional murders become a dangerous reality?

### **SEVENTEEN** | Hailey and Leo

The last day of secondary school. The future beckons bright ... or does it? An admission, a dance and something warm from the bakery.... all with a little help from an unlikely friend.

### **BOLD GIRLS** | Ellen Pennell

Michael Donnelly was the only boy Marie ever loved ... his walk, that smile, his hands. And he was wicked dangerous too – a 'Provo'. And then there was the Brits. And their roadblock. And the rain. On a wedding day.

### **TOP GIRLS** | Felicity and Sarah

Marlene returns home to the life, child, and her sister Joyce that she left behind for big business America. The conversation is tense. Cracks show. Perhaps time doesn't heal all wounds?

### **LOW LEVEL PANIC | Ruby and Chelsea**

Jo and Mary have been shopping all day for dresses to go out and party together. Once they are finished getting ready something gets in the way of what is supposed to be their 'fun' night out.

### **THE AUDITION | Francesca and Sylvia**

What do you do when someone else's mobile rings? Answer it? And what if it's a casting director offering the acting job of a life-time? How do you explain what happens next to the owner of the phone?

### **BAREFOOT IN THE PARK | Bella and Josie**

After a six day honeymoon, Corie and Presley make the uncomfortable discovery that married life is like dating, but with the reality turned up.

### **LADYBIRD | Shaelyn and Vivienne**

Where love meets opposition, sisters Marion and Ladybird explore the friction of a strained family relationship. The want to care and be cared for are at the heart of their conflict.

### **MARRIAGE STORY | Darcy and Elli**

Nicole and Charlie have issues – a missed opportunity, a career unexpectedly revived, a child as a bargaining chip and more distance between them than there are miles between New York and L.A.
