VCASS PARENT PAYMENT ARRANGEMENTS FOR 2022

Dear Parent/ Guardian,

The Victorian College of the Arts Secondary School is looking forward to another great year of teaching, learning and performing and would like to advise you of VCASS' voluntary financial contributions for 2022. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

The Department of Education and Training funding covers the delivery of only some of our standard curriculum. It does not cover all the additional funding required to deliver our specialist programs.

You have chosen to attend our school via the audition process and we strongly believe that education is about much more than just curriculum. VCASS strives to support your child to grow, not just academically, but emotionally, culturally, socially and artistically.

From our vision:

“Students from the Victorian College of the Arts Secondary School will be resilient, self-confident, creative, passionate and compassionate individuals, who will have developed beyond their expectations. They will be significant contributors to the artistic and cultural life of Australia, as well as at an international level.”

To achieve our goals, VCASS must work in close partnership with parents and the broader school community to provide the best educational opportunities for our students both inside and outside the classroom. Parent contributions make a valuable difference and play an important role in enriching the school's specialization and teaching program.

In setting our 2022 fee structure, VCASS has made every effort to keep the cost of running our unique curriculum and specialist programs to a minimum. Parent contributions result in improved outcomes, wellbeing and engagement.

We would like to thank you for your continued support and for entrusting the education of your child to us.

- Flexible payment arrangements are available through our compass system.
- Conveyance Allowance (if eligible) - Reimbursement of yearly travel ticket provided by the State Government will be allocated to family accounts. Parents can agree for this reimbursement to go toward Curriculum Contributions via Compass in 2022. Refunds will be made to any family upon request or when students leave VCASS. Families can choose to donate the balance to the school.

Payment methods

Parents and guardians will be provided with notice of payment requests prior to the new school year.

Our preferred payment option is via your Compass log in. Payments through Compass are made in full, or via a Payment Plan where payments can be made in instalments at regular intervals. Payments may also be made at Reception or via credit card over the telephone.

Refunds

Refunds will be worked out on a case by case basis at the local school level.

- VCASS has the discretion to provide refunds to families and will do so where it is reasonable and fair (for example, if the school has not incurred a cost).
- If VCASS has incurred costs, the school will act reasonably and take into consideration the Financial Help for Families Policy and relevant arrangements, including support for families experiencing hardship. VCASS will consider refunding families for:
 - unavoidable event cancellations
 - if a family experiences a crisis or sudden serious illness
 - the student can no longer attend the event.
- If VCASS decides to provide a refund, then parents need to agree and advise the school where the refund should be paid. If that agreement cannot be reached, the refund will be paid into the account from which the money came. Where the payment was made in cash, VCASS will wait until the parents reach an agreement and advise the school.
