- 8.4. Formal complaints should be submitted in writing to:
- Executive Director  
International Education Division

- 8.6. If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:
- Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal – Student Services, the Assistant Principal – Curriculum or the Principal to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
  - Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.

- c) **Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal – Student Services, the Assistant Principal – Curriculum or the Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- d) **Timelines: The Victorian College of the Arts Secondary School** will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, VCASS may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, The Victorian College of the Arts Secondary School will consult with you and discuss any interim solutions to the dispute that can be put in place.
