### 3. DEFINITIONS

- 3.1. *Child-connected work*: work authorised by the school governing authority/provider of a school boarding services and performed by an adult in a school or school boarding premises environment while children are present or reasonably expected to be present.
- 3.2. *Child-related work*: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.
- 3.3. *Closely related family member*: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.
- 3.4. *Volunteer worker*: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.
- 3.5. *School work*: School work means:

#### 6. SUITABILITY CHECKS INCLUDING WORKING WITH CHILDREN CHECKS

##### WORKING WITH STUDENTS

- 6.1. VCASS values the many volunteers that assist with our events. To ensure that we are meeting our legal obligations under the [Working With Children Act 2005 \(Vic\)](#) and the Child Safe Standards, VCASS is required to undertake suitability checks which may include a Working with Children Clearance, proof of identity, qualification, work history involving children and/or reference checks.
- 6.2. Considering our legal obligations, and our commitment to ensuring that VCASS is a child safe environment, we will require volunteers to obtain a WWC Clearance and produce their valid card to our HR Manager for verification in the following circumstances:
  - a) **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Clearance if they are engaged in child-related work regardless of whether they are being supervised.
  - b) **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity
  - c) **Parent/family volunteers** who assist with excursions camps and similar events, regardless of whether their own child is participating or not.
  - d) **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
  - e) **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not.
- 6.3. In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

## **NON CHILD-RELATED WORK**

- 6.4. On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, parents and friends association coordination, school council, participating in sub-committees of school council, fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.
- 6.5. Volunteers for this type of work are not required to have Working with Children Clearances or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, VCASS reserves the right to undertake suitability checks, including proof of identity, Working with Children Clearance, at its discretion if considered necessary for any particular activities or circumstances.

## **7. TRAINING AND INDUCTION**

- 7.1. Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.
- 7.2. To support us to maintain a child safe environment, before engaging in any work where children are present or reasonably likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our Child Safety Induction Pack and ensure the actions and requirements in these documents are followed when volunteering for our school.
- 7.3. Depending on the nature and responsibilities of their role, VCASS may also require volunteers to complete additional child safety training.

## **8. MANAGEMENT AND SUPERVISION**

- 8.1. Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safe Policy, our Child Safety Code of Conduct and our Statement of Values and School Philosophy. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#).
- 8.2. The principal will determine the level of school staff supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and wellbeing of students.
- 8.3. The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at VCASS.

  - b) reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors;
  - c) make reasonable adjustments to accommodate the student's disability; or
  - d) provide a safe and secure workplace.

**9.3.** Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on child safety responding and reporting obligations refer to: *Child Safety Responding and Reporting Obligations Policy and Procedures*.

## **10. RECORDS MANAGEMENT**
